Hear From Our Graduates

"From my beginning chapters with Opteon Solutions New Zealand, I have been fortunate enough to receive countless moments of opportunity and support, throughout all the aspects of work at hand. Opteon's passion to build high-striving teams and provide flexible working environments, ensures an element of balance between all. The exposure and experiences I have been privileged to receive, have allowed me to build an immense amount of confidence and knowledge within property valuation."

Shannon Aislabie

"The managers and mentors have been really helpful and important throughout my time of being a grad valuer. We've been offered a large amount of training and learning opportunities at Opteon which has been hugely beneficial for all of us grads. We are learning from experts at the business and we couldn't be more grateful. We run regular training session covering a large range of topics which has helped me get to the point where I am today."
